A portion of tuition fees will be tax deductible for the 2010-2011 school year.

Amount to be determined.

Additional Information: Application and Re-Registration Fees are non-refundable. When withdrawing a student from Victory Christian School, **30 days notice** is request must be received **on or before** the first of the month. Not providing 30 days notice will result in the **loss of one month's tuition**. A parent wishing to withdraw first meet with a School Administrator to obtain a withdrawal form. Withdrawal of a student is not considered complete until the withdrawal form is returned to the school. Tuition deductions will be made from tuition for absence during the school year. If a student misses school for any reason and has attended one day or more of any month, owe the full month's tuition. In the event that a family falls into arrears in the payment of tuition fees, parents may be asked to withdraw their child(ren).

If your account is past due for more than one month, a statement indicating your debt will be mailed to you. In order to receive your child's report card, all accounts must be paid by the end of each reporting period. A charge of \$30 will be assessed to the payee's account for returned (NSF) cheques. If tuition fees are in arrears, students may not participate in any special trips or activities. If parents find it necessary to have their cheques withheld due to insufficient funds, they must notify the Accounts Administrator at least 5 days before the end of the month. Each time a cheque is withheld, there will be a \$30 handling and administration fee. A 10% late fee will be applied for payment after the 5th day of the month.
